

HND Andragogy

Course Overview & Study Guide

Note: This document is an academic study guide produced by UNEE based on the official HND examination framework. It is not an official government syllabus. For the official syllabus, contact the Ministry of Higher Education, Cameroon.

About HND Andragogy

Andragogy — the science and art of adult learning — is increasingly recognised as a distinct discipline from general pedagogy.

The program trains you to design, deliver, and evaluate learning programmes specifically for adult learners.

Technical and vocational training centres, corporate training departments, and NGO capacity building programmes all need Andragogy graduates.
