

HND Customs and Transit

Course Overview & Study Guide

Note: This document is an academic study guide produced by UNEE based on the official HND examination framework. It is not an official government syllabus. For the official syllabus, contact the Ministry of Higher Education, Cameroon.

About HND Customs and Transit

Customs and Transit professionals are the gatekeepers of Cameroon's international trade at the port of Douala, land borders, and airports.

The 2025 program includes computerised customs practices — training you on SYDONIA and other customs management systems used at Cameroonian ports.

The customs profession is both stable and well-regulated, opening doors in brokerage firms, freight forwarding, and the customs administration.
