

HND Joinery and Cabinetmaking

Course Overview & Study Guide

Note: This document is an academic study guide produced by UNEE based on the official HND examination framework. It is not an official government syllabus. For the official syllabus, contact the Ministry of Higher Education, Cameroon.

About HND Joinery and Cabinetmaking

Joinery and Cabinetmaking is a skilled trade with strong demand in Cameroon's construction and interior design sectors.

The program blends craft skills with engineering knowledge — joinery techniques, wood science, structural applications, and CAD design.

Cameroon's abundant timber resources provide a natural advantage for the woodworking industry.

Course Structure — HND JOC

Credit values are set by the Ministry of Higher Education, Cameroon.
