

HND Management of Non-Governmental Organization

Course Overview & Study Guide

Note: This document is an academic study guide produced by UNEE based on the official HND examination framework. It is not an official government syllabus. For the official syllabus, contact the Ministry of Higher Education, Cameroon.

About HND Management of Non-Governmental Organization

Cameroon hosts hundreds of national and international NGOs working in health, education, agriculture, human rights, and development. NGO Management graduates are trained to run these organisations professionally.

The program combines management skills with NGO-specific knowledge including project cycle management, risk analysis, donor relations, and accounting for non-profits.

With increasing scrutiny from donors and regulators on NGO governance, organisations need formally trained managers.
