

HND Project Management

Course Overview & Study Guide

Note: This document is an academic study guide produced by UNEE based on the official HND examination framework. It is not an official government syllabus. For the official syllabus, contact the Ministry of Higher Education, Cameroon.

About HND Project Management

Project Management is increasingly recognised as a core business discipline in Cameroon, especially as development projects and NGO programmes multiply.

The program covers the full project lifecycle — from conception and feasibility studies to scheduling, budgeting, and post-implementation evaluation.

From construction companies to international development organisations, the ability to manage projects systematically is in high demand.
